

How to reach GARR

To get to GARR from Fiumicino Airport you can take the "Leonardo Express" non-stop train to Termini Rome central station. (departures every 30 min, ticket price € 11,00). This is the fastest and simplest way to get to Termini Station.

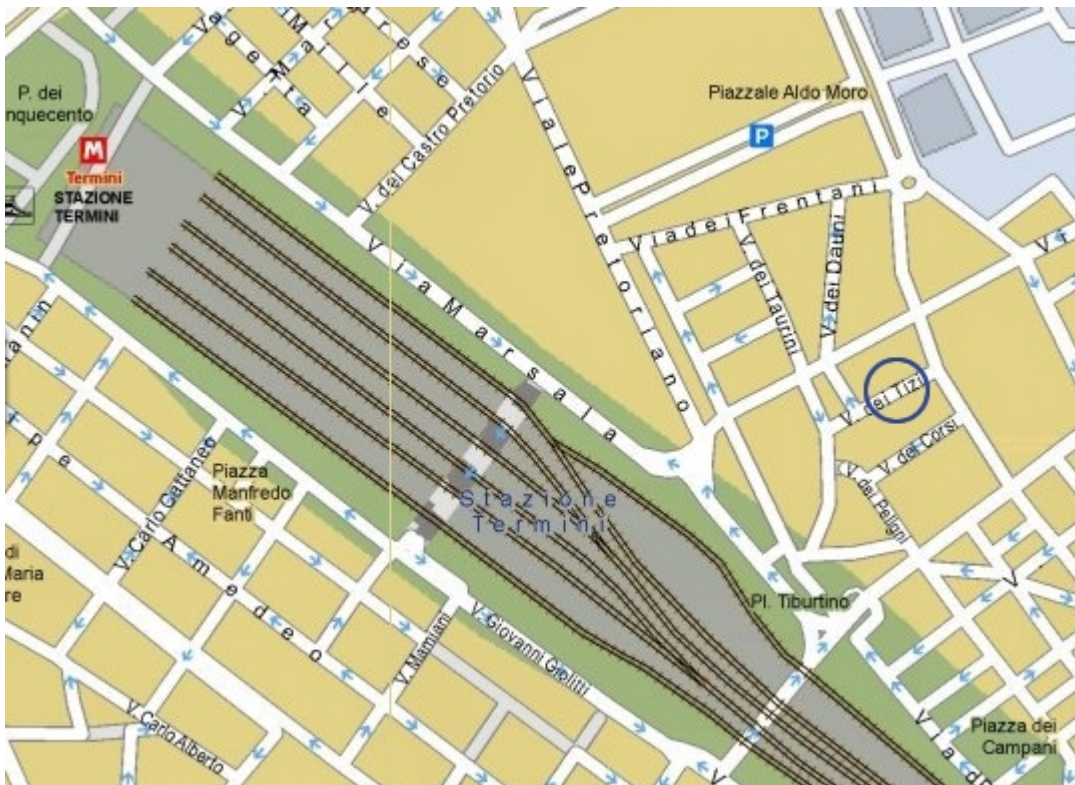

If you wish, you can choose instead the FM1 train (departures every 15 min, ticket price € 5,00) to Ostiense station and there take "B" line tube ("Metro linea B") to Termini station - way Termini-Rebibbia).

To get to GARR from Ciampino Airport you can take the bus CO.TRA.L. from the "Arrivi" (arrivals) terminal to the underground station "Anagnina"; here take the "A" line tube ("Metro linea A") to Termini central station.

From Termini station you can reach GARR by bus or by feet.

By bus 492: reach the nearest bus stop, in via Volturno (about 300 metres walking) and take the bus until RAMNI/PORTA TIBURTINA. Note that your Underground ticket is also valid to ride the bus.

By feet (about 950 metres walking): from Termini Station, exit to via Marsala, turn right and walk aside the station down to Piazzale Sisto V; then make a left turn to via dei Ramni until Piazza dei Siculi. Turn right crossing the square and, at the end, on the left, take via dei Tizii. GARR is at number 6 on your right hand side.
